CONDITIONS OF PARTICIPATION FOR STUDY ABROAD EXCHANGE PROGRAMS

1. APPLICATION PREPARATION

ECV accepts international exchange students during the following periods:

- Fall semester of 3rd year,
- Spring semester of 3rd year,
- Fall and Spring semester of 3rd year,
- Fall semester of 4th year.

Exchange students who are studying during the fall semester of their 3rd year and want to continue studying at ECV for the spring semester must have their request approved by their home institution and by ECV. The application form must be completed and submitted before the application deadline at the Student Welcome Center and must include all required documents (see page 2).

2. ADMISSIONS

The final admissions decision regarding your exchange program application is made by the host institution. If you are not accepted at your first-choice school, we recommend doing your exchange program at one of the other four ECV campuses in France.

3. ECTS CREDITS

The fall semester at ECV corresponds to 30 ECTS credits. To successfully obtain all of these credits, you must attend all the classes of the academic program you will be studying: Design, Animation or Digital. The course catalog is available upon request.

4. FRENCH

All classes are in French for the first three years of study. A minimum level of French is not required to be accepted. If you do not speak French at all, we will put you in touch with the Student Council to help you find a French tutor.

5. TUITION FEES

As part of the agreements set out for exchange programs (bilateral agreements, Erasmus or other), you are not required to pay ECV tuition fees. If you apply as a Visiting Student (i.e. free mover and no bilateral exchange agreement), please contact the study abroad office before submitting your application.

6. HEALTHCARE AND INSURANCE

Students are responsible for making sure that they will be covered by social security and their health insurance plan before coming to France.

7. LENGTH OF STAY

As an incoming exchange student, you can only stay for one academic year. If you would like to extend your stay, you must request an ECV registration application.

8. FINANCIAL CONTRIBUTION

A financial contribution of 70,00 € is asked for computer software licenses for all incoming exchange students (Erasmus or not Erasmus).
